

QMS002 - Quality Policy

Benison Associates is a Chartered Building Surveying company offering professional building surveying and construction management services. The company was established in 2007 and operates from offices in Buckhurst Hill, Essex.

The Company provide building surveying and project management services to a varied client base including commercial and residential customers.

Benison Associates strategic direction is to be competitive and maintain good economic performance within our sector whilst expanding the customer base. The aim is to provide our clients with quality products and services that meet and satisfy all applicable requirements and surpass their expectations.

To reinforce this commitment to quality, Benison have established a Quality Management System designed to operate and comply with the BS EN ISO 9001 Quality Standard that provides a framework for setting quality objectives, risk analysis, measurement, and for continually improving our performance.

Benison have been registered for BS EN ISO9001 with BSI since 19th October 2015.

This Policy is continually reviewed for suitability at annual Management Review Meetings and is available to relevant interested parties, as appropriate.

The Managing Director holds ultimate responsibility for the Quality Policy along with its operation and implementation
